#### **Theme:**

This seminar will focus on a number of key global issues and challenges.

#### **Goal of Course and Educational Objectives**

At the end of the course, students should have a sound knowledge of a selected number of some of the world’s most important issues and challenges and their influence on present day international relations. In addition to brief weekly homework assignments, they should be able to display their knowledge of, and opinions about, chosen topics in a writing assignment *or* in an in-class presentation. See the ‘Assessment Information’ document or go to Dr. Senan Fox’s website ( <http://www.senanfox.com/> ) for more details.

#### **Learning Outcomes**

In one semester quarter, students will be asked to submit one writing assignment *or* to conduct an in-class presentation based on a topic selected by the student. Students will also be expected to complete a homework assignment for each of the topics shown below. The exact assessment requirements will be discussed in greater detail in Week 1 (Guidance Week).
